## EXPERIENCE

*Freelance*

*Industrial Design*

Oct 2022 - Present

Provide concept development, CAD, rendering, prototyping, and making services, and starting an industrial design business with my partner.

*Stellar Design Internship*

*Industrial Design Intern*

June 2021 - Aug 2021

I utilized sketching, rapid prototyping, and 3D CAD modeling to ideate and refine concepts for several projects.

*BizSmart Global Internship*

*Industrial Design Intern*

May 2020 - Aug 2020

I guided and worked with teams of young adults to improve their product ideas and turn their written ideas into realistic renders and presentations.

*Covid-19 Response Volunteer Project*

Apr 2020 - June 2020

I worked with and helped lead a team of 9 other volunteer design students and mentors Jon Corpuz and Dominic Peralta to design masks in response to the COVID-19 Pandemic.

## RECOGNITIONS

*Keyshot Award SJSU ID Senior Show*
